Opened at 8:15am, Ron in the chair.

Apologies

Moray Vincent
Sean Fenton

Agenda

1. Previous Minutes
2. Regrading review
3. Maccabi U14's
4. Catch-up games
5. Other business

1. Previous minutes

- Clubs can elect anyone they like, to attend council meetings. Therefore, a club contacts list is to be used in future council meetings, as to ensure relevant club official/s are present
- Fines discussed in previous JFMC to be disregarded.

2. Regrading review

Our junior competitions has completed its first rotation, so the grading's are due for review:

Boys

- U12's: Review after 1 full rotation – round 7 to be completed 25/5/14
- U13's: Easts C's moved to Championship and Heffron moved to Division 2. Review points and goal difference after outstanding games resolved.
- U14's: Given that Division 1 has played through a full rotation and there are no teams that by results or goal difference are above the trigger for promotion or relegation, and further that neither the top Division 2 teams nor bottom Championship team want to change divisions, it was determined that the two divisions shown on the website would remain separate and complete the season as separate divisions.
- U15's: review after 7 games:27/5
- U16's: 6 team comp; no change
- U18's: 10 team comp – review on the 16/6/14

Girls

- G12: 8 team comp – to leave as is. Review in two weeks' time, after 1 full round.
- G14's – Championship; 6 teams, no change. However, some with games that have been played twice.
Division 2; no change
- G16's – no change
- G18's – no change

3. Request from Maccabi: re their 2 U14 teams in the same grade

U18 boys – Match cards confirmed they played players from another team who were registered in the same grade. This rule changed in 2014 and was clearly conveyed to clubs. Therefore, the team will be deemed to have lost the game and their opponents awarded a win

- No fine on this occasion (suspended)

U14 Green are 2nd and U14 White are 5th on the U14 division 2 ladder. It is not possible to allow the changes requested by Maccabi as they are against the rules. Suggestion Maccabi look to request a regrading of players and the JFMC may look favourably upon such a request.

4. Catch up games

The Competitions Coordinator is to notify teams of outstanding catch-up games to be played. ESFA will reserve options, including a catch up game over the top of clubs *or* making return fixtures count for double points. Then these games are to be followed up regularly to ensure they are played. It may then come to a point when a double game is ordered upon the clubs.

5. Other business

Results to be reviewed by ESFA on Tuesday morning (to assess missing results after the deadline of Monday 5pm). Clubs to be followed up and chased for missing results. Fines may be considered in the event of repeat offenders.

The Next JFMC will be Tuesday 27th of May, 8:00am at Newland st, Bondi Junction.

POST-MEETING NOTE: Meeting finished at 9:40am
