2. Agenda

Rules changes will be address in regards to combined juniors. Members are asked to stay behind to discuss with Boys council.

- Rounding up divisions due to lack of numbers
- Difference of skill levels in grading
- Match cards

3. Final Nominations

- G12: Discussion on 1 or 2 Divisions between 9 teams. Based on Pagewood pulling out a team today, the decision of 1 Division of 8 was made.
- G14: A proposal of 1 division of 10 was made by Allen. If 1 division, have the 5 B grade teams play each other first to promote adherence.
- G16: A Comment that Pagewood Div2 may not have 2 teams in Division 2. The possibility of a mid-season knockout tournament or a gala day to make up for a 15 round competition was discussed.
- G18: 5 Teams will be 1 Division.

4. Recap of the Grading

- Ensure correct players are on field

A lot of the stronger teams from G16 up have moved to representative teams, therefore the competition is expected to be weaker.

- Ensuring the competition is fair, we must start the season with teams of similar skills to promote training and adherence.
- When there are two clubs in the same division, ensure they do not play the last game of the season, to ensure a fair finish.
- To try and get teams from same club to play at the same venue as best as possible will be appreciated.
- 25 metre rule was raised, in regards to +12 years old teams.
