Summary

Schedule all washed out games from 19th July wherever possible ASAP. Assess reducing finals, if necessary after that.

Pennants for all competitions where more than 2 teams outside of top 4 - assess weeks and fields available and take it from there.

2. Risk of Forfeits

Teams with more than 1 make-up game outstanding may be at risk of forfeiting. - JFMC to assess in coming weeks.

3. Game postponement issues – changes for 2016

Clubs are having problems rescheduling with oppositions. Delegates were directed to 4.4 of the competitions rules:

4.4 POSTPONED AND DEFERRED MATCHES

(A) Where a match is postponed or deferred, the home club secretary must within 7 days propose an alternative date, time and venue agreed to by the opposition. If ESFA deems this to be appropriate, the match shall be scheduled.

(B) If the home team fails to notify the competition manager or opposing club secretary of a proposed date within 7 days, the away team has a further 7 days to propose a reschedule of the match.

(C) If agreement cannot be reached within 14 days of the date of postponement or deferral, the ESFA Competitions Coordinator will take responsibility for rescheduling.

(D) For juniors, a match may be played as a 'double game'. Each half of the match will be considered as an entire match and the points allocated accordingly.

(E) At least 10 days' notice will be provided to clubs (except at the end of the season) and it will be expected that any reasonable re-arrangement be accepted. If a club does not accept, they may be deemed to have forfeited the match.

(F) Fixtures shall be played on the date and times as nominated in the Official Fixture List or as instructed by the Competitions Coordinator and these dates could include any weekday evening or night fixtures, any daytime, evening or night fixtures on Saturday, Sunday or Public Holidays.

Therefore, clubs are encouraged to contact the competitions coordinator for assistance, if agreement for a rescheduled fixture has not been met after 2 weeks of negotiation.

4. Feedback on Referees

- All agreed coverage has been excellent
- Uncovered games are largely due to games getting moved last minute etc.
- Young referees transition from Miniros to competitive can be difficult.
- RTO's responsibility to assist with player/crowd control

G12 – 25m rule

- Pagewood are very happy with the application of the rule
- Some kids/teams/Refs not fully understanding the rule (early stages)
- Some not happy with the rule being introduced during the season
- Overall it is an improvement to game play

5. Other business

Confirmed 6 goal difference rule is definitely in place

Next year items?

- 9v9: reduced field size, competitive could be an option
- Jellicoe, Heffron and Waverley more fields next year

Next meeting to be held in August before the finals.

Meeting finished at 7:31pm
